

ICII 2024

March 7-9, 2024

Cape Town, South Africa

<http://www.icii.org/>

We are glad to announce that the **2024 10th International Conference on Information Management and Industrial Engineering (ICII 2024)** will be held in **Cape Town, South Africa**, during **March 7-9, 2024**. It is hosted by University of Cape Town (South Africa), technically co-sponsored by Nelson Mandela Metropolitan University (South Africa).

ICII will have a special focus on Information Management and Industrial Engineering to address multidisciplinary challenges. The event will include Oral Presentation, Poster Presentation, Keynote Speeches given by experts on state-of-the-art topics, and Invited Speeches. The aim is to complement the regular program with emerging topics of particular interest in the field of Information Management and Industrial Engineering. Additionally, we ask that authors expand on their research and knowledge to contribute to the collective effort to improve Information Management and Industrial Engineering.

Publication Support

Submitted paper will be peer reviewed by conference committees. Accepted papers of ICII 2024 will be published in the ICII Conference Proceedings, which will be submitted for SCOPUS indexing.
